

WC-ONEMK3-ESP

WALKASSE flight cases, manufactured in Spain, are designed and manufactured with the highest quality materials, given our more than 20 years of experience in the show industry.

MAIN FEATURES

- 100% Finnish birch WBP plywood, 7 mm thick.
- Birch melamine finish, extremely scratch and impact-resistant.
- Heavy-weight aluminum profiles and hybrid locking elements, all riveted with a 5 mm diameter rivet.
- Internal padding made of technical foam of different thicknesses depending on the product inside.
- The components used are of the highest quality; we only use those from Adam Hall or Penn Elcom.
- Telescoping, retractable pull handle
- 360º multidirectional 30mm wheels.

SPECIFICATIONS

EAN: 8436560474289
Weight: 16,3 Kg
M. Ext: 540w x 500d x 740mm
M. Int: 480w x 380d x 120-130h mm
