

WC-WINGRACK-ESP

WALKASSE flight cases, manufactured in Spain, are designed and manufactured with the highest quality materials, given our more than 20 years of experience in the show industry.

MAIN FEATURES

- 100% Finnish birch WBP plywood, 7 mm thick.
- Birch melamine finish, extremely scratch and impact-resistant.
- Heavy-weight aluminum profiles and hybrid locking elements, all riveted with a 5 mm diameter rivet.
- 30 x 30 mm aluminum profiles.
- The components used are of the highest quality; we only use those from Adam Hall or Penn Elcom.
- 260 x 50 mm black rubber strap handle.
- Medium-sized butterfly latches with self-advancing mechanism.
