MADE IN HIGH QUALITY

The LITE series housing is made of high-quality materials with extreme abrasion and weather resistance. Inside, a 'Crystal Velvet' plush lining protects the sophisticated finish.

PROTECTION

The soft side walls of the LITE series guitar case have 20mm and 10mm foam protection on the back and front. Durable carry handles come standard on LITE Series suitcases. The clamping seam increases durability and the highquality strap provides a very comfortable grip.

SMART STORAGE

The LITE Series Guitar Case has a small front pocket, which is ideal for small laptops, tablets, notebooks, cables, and other extra accessories you may need when traveling light.
