# PALMIN GS Solo (Black walnut)

## Installation Guidelines

## Pre-install

Please insert the vertical stand into the groove of the Mermaid-shaped base first, and make sure that the soft felt pad on the stand is in the SAME DIRECTION

## Step 1

Secure the base to the vertical stand with 2 attached hex socket head cap screws (hex key included)

## Step 2

Screw the yoke by clockwise rotation to the top of the stand, refer to the exploded view of step 2 in the picture
