Equipment not included

WALKASSE flight cases, manufactured entirely in Spain, are the result of over 20 years' experience in the performing arts and entertainment sector. Each unit is designed and built using the highest quality materials, combining durability, functionality and meticulous attention to detail. Our track record has enabled us to develop robust, reliable transport and protection solutions tailored to the demands of the most discerning professionals.

KEY FEATURES

- 7mm WBP plywood made from 100% Finnish birch
- Finished with a birch melamine coating that is extremely resistant to scratches and impacts
- Heavy-gauge aluminium profiles and fastening brackets, all riveted with 5mm diameter rivets.
- 30 x 30 mm aluminium profiles.
- The components used are of the highest quality; we use only those from Adam Hall or Penn Elcom
- Black rubber strap-style handle, 260 x 50 mm.
- Medium-sized butterfly fasteners with self-locking mechanism.
- Internal padding made from 1 cm thick technical foam.
- Finished with egg-crate foam on the inside of the lid
