

Flight case

for - **Microphone Stand**

PERFECT FIT • PROTECTION • MADE FOR DJs

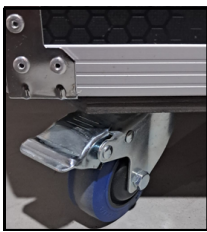

PERFECT FIT, MAXIMUM PROTECTION

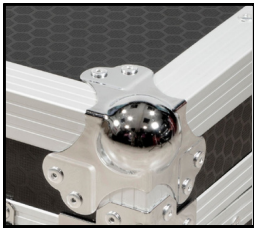

Made from 9mm high-strength wood and specifically designed to carry up to 16 feet of microphone.

Hexagonal 'honeycomb-style' stage surface

Professional wheels with brake

Highly durable, rounded chrome edges.

INTERNAL DIVIDERS

Padded dividers where each foot is inserted vertically. This prevents them from hitting each other, getting scratched, or the threads from catching.

PROFESSIONAL WHEELS

100 mm (4") professional wheels: flight case for 16-foot microphone. Includes Guitel-type wheels (2 of them with high-quality brakes).

BUILT TO LAST

Its reinforced structure and durable materials ensure long-lasting durability for professional DJs.

TOP COVER

Top cover secured with two professional butterfly latches and fully removable.
