

# W-MCB-S4MK3

Professional protection, distinctive design and guaranteed quality for your equipment

EAN: 8436560472971

Weight: 1,3 Kg

M.Ext: 592w x 355d x 80h mm

M.Int: 562w x 330d x 66h mm

## COMPATIBILIDAD

- Native Instruments® S4MK3
- Native Instruments® MX2

Walkasse reliable and rugged hard case for your Native Instruments S4MK3/S3-MX2 controller. Our lightweight yet durable EVA hard case is designed for the demands of life on the road. Made from high-quality, compression-molded EVA and featuring a tough laminated fabric exterior, it offers superior protection against impacts, scratches, and spills.

## KEY FEATURES

- Rigid EVA suitcase, 7mm thick, compression molded at 75 degrees, providing superior protection compared to other bags.
- Dual-density molded construction for enhanced impact resistance.
- Exterior made of durable, water-repellent 1680D ballistic nylon with a PU coating.
- Velvet interior lining.
- Protective honeycomb foam (egg-shaped) prevents damage from vibrations and impacts.
- Concealed zipper.
- Includes two carrying options: 1) padded nylon hand straps, 2) detachable shoulder strap. Carry-on compatible.
